

REMARKS

Applicant, through his representatives, has amended Claim 2 to be an independent claim, incorporating therein all the limitations of Claim 1, from which Claim 2 formerly depended. Claim 2 is now in allowable form. Claims 3, 6, and 10, as claims dependent upon allowable Claim 2, are also now allowable.

Claims 5, 7, 9, 25 and 26, which had formerly been dependent upon Claim 1, have now been amended to depend from Claim 2, an allowable claim. Thus, Claims 5, 7, 9, 25 and 26 are also allowable.

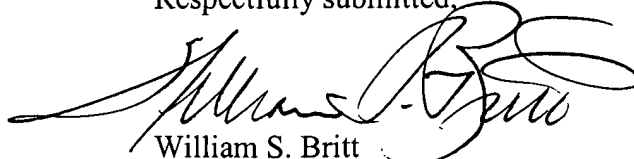

Claims 1, 11-15 and 17-24 have been cancelled. Therefore, the application contains only allowable claims and applicant submits that the application is in condition for allowance.

Applicant understands the reasons stated for the allowability of claims merely objected to in the Office Action of February 23, 2007.

Applicant reserves the right to pursue by way of divisionals, continuations or continuations-in-part, the invention claimed in any claims cancelled in this or any previous amendment to the instant application.

If questions remain after consideration of the foregoing, the Office is kindly requested to contact applicants' attorney at the address or telephone number given herein.

Respectfully submitted,

William S. Britt
